

TWEP Open House

Sunday, February 4 - 2:00 - 4:00

“Animals from Africa” program

presented by “Critters and Conservation”

JBHS Auditorium - 3:00

TSD Elementary Art display in the Charles Brightbill Environmental Center from 2:00 - 3:00 and immediately following program

Critters & Conservation presents an interactive, live animal show including animals native to Africa. Come see and learn about birds, mammals, reptiles, and invertebrates and their habitats, diets, behavior, basic biology, importance in the food web, and so much more. Participants will have the opportunity to pet an animal at the end of the show.

*There is a \$ 4/ adult and \$2/school age children fee for the animal program.
Those with a TWEP membership will be admitted free.*
