Franklin County Government's Story

Speaker: Sarah Hamel, Healthy Living Coordinator

Franklin County Government has created an in-house wellness program with a full-time wellness coordinator. The County offers a point-system based wellness program employees can join to receive a health insurance discount. The program includes activities such as health education sessions, blood pressure screenings, body composition testing, health challenges, biometric screenings, and more.

Volvo Construction Equipment's Story

Speakers: Courtney Group, Healthy Living Coordinator & Andrew Tees, Health & Safety Coordinator
Volvo CE in Shippensburg, Pennsylvania a full-time health and safety coordinator, a wellness committee, and contracts with the Chambersburg YMCA to staff an on-site healthy living coordinator. Volvo offers great wellness perks such as an on-site gym, cafeteria with healthy dining options, an on-site clinic, and more.
