

# Outdoor Survival Training Workshop

Saturday, September 9, 2017

1:00 – 3:00

at the

Charles Brightbill Environmental Center

Located at 4881 Fort Loudon Road, Mercersburg, PA 17236

Frank Thomas will be the instructor for the day.

The workshop will cover shelter building, identification of venomous vs. non-venomous snakes, strategies to use if injured or lost, and more.

Pre-register by calling the Center at 717-328-2126 or by emailing Sheila Snider, TWEP Director, at [twemail@gmail.com](mailto:twemail@gmail.com)

*Deadline to register is September 1, 2017.*

A minimum of 8 people are required for the workshop to happen and a maximum of 30 spaces will be available.
